Re: Roza (Rose) Klekotko

To Whom It May Concern:

This is to confirm that Roza Klekotko has recently completed the MA Theatre Lab programme. The course is full-time and contact hours are in excess of 25 per week.

Roza enrolled onto the programme on 12 September 2018 and completed the course on 21 September 2019.

Roza has successfully passed all required elements of the course and is currently awaiting the result of her final dissertation. Upon successful completion of the course, Roza will be invited to attend two graduation ceremonies:

1. Formal ceremony through King's College, London formal - this usually takes place in January (date/venue to be confirmed). The King's degree certificate is usually dispatched within three months of this ceremony
2. Informal ceremony at RADA - 11 July 2020 - Roza will receive a RADA Diploma at this ceremony.

Please do get in touch if I can provide any further information that can be of assistance.

Yours faithfully

Sarah Agnew
